LIGHTING

ILLUMINATING THE RV INDUSTRY FOR OVER 50 YEARS.

ABOUT GUSTAFSON LIGHTING

For over 50 years, Gustafson Lighting has been the leader in design, manufacturing, and importing of high-quality lighting products for the recreational vehicle industry.

Our unique and innovative selection of decorative lighting options, combined with our robust offering in task lighting, means we are prepared to meet ALL your lighting needs. The RV market is ever changing and we are committed to helping you differentiate your brand with quality products that enhance your space.

LASALLE BRISTOL ADVANTAGE

Gustafson Lighting and LaSalle Bristol have partnered to provide the ultimate RV lighting experience for both the OEM and end-user. By utilizing LaSalle Bristol's 70 years of industry experience and expansive distribution network, we can provide beautiful, on-trend lighting faster and more reliably.

Pendants	4-9
Dinette	10-14
Sidewall	15-19
Vanity	20
Specialty	21-24

PENDANT LIGHTING

Pendant lights are one of the more stylish types of lighting. Hanging light fixtures are often installed in kitchens above a kitchen island or in dining rooms above the dining room table. Pendant lighting is attached from the ceiling, providing helpful and ambient light. Hanging light fixtures often have both a functional and decorative feel.

DESIGN

Gustafson Lighting has been inspiring the RV industry for over 50 years with innovative design and a passion to provide a premier experience to the end-user.

QUALITY

Using high-quality components and our "rock & roll" testing process, our lights are specifically built to survive life on the road.

FUNCTIONALITY

Lighting can play a big role in how a living space is perceived. It can create an atmosphere of comfort and safety that allows the end-user to enjoy their RV to its full potential. Each light is designed to complement the RV lifestyle and provide quality light in any application.
