CATALOG

TEES • ELBOWS • ADAPTERS
COUPLINGS • WYES • P-TRAPS

LaSalle Bristol offers a complete line of ABS fittings for the RV and Manufactured Housing industries. Many of the fittings are made in our own manufacturing facility. LaSalle Bristol Manufacturing is an ISO9001 certified manufacturing facility located in Plymouth, IN near the heart of the RV industry. We produce injection molded products including ABS and PVC drainage, waste and vent (DWV) fittings. We also do assembly of components into finished products.

LaSalle Bristol has been proudly serving the RV and Manufactured Housing industries with innovation, quality products and exceptional service for over 50 years.

ABS is an excellent choice to use for DWV systems in RV's since it is lightweight and easy to work with. The parts are joined by solvent weld or threading.

DWV fittings include elbows, tees, couplings, flanges, P-Traps in a variety of sizes.
